

CONTRACTORS PROFIT WITH CINCH KIT

KITS INCLUDE EVERYTHING YOU NEED TO COMPLETE THE JOB:

- Custom doors and drawers
- The exact number of hinges and pulls you need
- Paint for your existing cabinet boxes
- Tools for easy installation

Our fast, easy and affordable kits offer higher profits and a simpler business to manage. That's why we've renovated over 50,000 kitchens in 4 years.

TIME SAVINGS

- With our complete kits and installation tools, your crews can complete more units each day. We deliver complete kits for each unit. There's no time lost wrangling materials on the job site. Set your installation crews up for success.
- Cinch Kit offers the fastest lead-time in the refacing industry, 5-7 business days. We ship parts needed to complete installed units in 24 hours. This helps avoid delayed punch walks, penalties, and liquidated damages.
- Reduce purchasing challenges, logistics and overhead with our complete kits. You can redeploy key employees to more profitable tasks.

ACCURATE ORDERS

- Cinch Kit's one-stop solution for cabinet refacing reduces the potential for errors. Our ordering website detects and corrects common mistakes and passes orders straight to our computerized machines.

PRICE CERTAINTY

- All colors are the same price. (Except high gloss.)
- Pricing stays the same regardless of order size (1 or 1,000). There's no upcharge for hinge holes or minimum chargeable part size.
- With our website you can create hard bids, place orders, and track deliveries from anywhere.

RESPONSIVE CUSTOMER SERVICE

- Our expert staff will respond within 3 hours to address your issues or needs. Parts are shipped the next day.
